Listserv at Harvard Medical School

Listserv is the software used at HMS to create mailing lists and distribute e-mail to large groups of people. You can login at the [HMS Listserv website](https://listserv.hms.harvard.edu) to manage your lists or your list subscriptions. You can request a new mailing list by contacting the IT Service Desk. These pages contain information on how Listserv is used here at HMS. For assistance with Listserv mailing lists, please contact the HMS IT Service Desk at (617) 432-2000 or [ITServicedesk@hms.harvard.edu](mailto:ITServicedesk@hms.harvard.edu).
