

Student Resources

What is Student Resources?

Student Resources is a list of useful links for students.

You can reach **Student Resources** by clicking the Student Resources button in the main navigation area, or by clicking **See All Resources** in the Student Resources panel on the Dashboard.

Filter, Sort, and Add Favorites

On the Student Resources page, you can filter the list by clicking a category, or search for a resource by title.

Click the star next to a resource to add it to your favorites - it will then display in the Student Resources panel on the Dashboard.

Student Resources

The screenshot shows the Student Resources page interface. At the top left is a search bar labeled 'Resources Search' with a magnifying glass icon and a green 'Search' button below it. To the right of the search bar is a category filter section with a green 'Filter by category' button. The filter section includes a red arrow pointing to 'All Categories (63)' and a list of categories: Registrar's Office (10), Other Services (15), Administration/Other (2), Student Support (8), Information Technology (4), Curriculum (1), and Reference (21). The main content area is a list of resources grouped by category. The categories are SCHOLARS IN MEDICINE, STUDENT SUPPORT, and REGISTRAR'S OFFICE. Each resource has a star icon to its right. A green callout box with an arrow points to the star icon for 'HMS Student Handbook' with the text 'Click stars to add favorites to Dashboard'.
